

PE and Sports Premium Strategic Plan 2020-21

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

At Charsfield CE Primary School we are keen for all our children to develop active and healthy lifestyles. One of the ways in which we achieve this is through providing children with the opportunity to participate in a wide range of sports including outdoor and adventurous activities. The following list is a representative sample of some of the ways in which we do this.

- To compensate for the small size of our school, we take children on PE focused trips so children have access to specialist equipment, facilities and coaches. This is of benefit to both schools and supports the transition process.
- We are committed to both maximising participation and competition in sport. We take part in a wide range of sporting tournaments organised by the High Suffolk School Sport Partnership.
- Specialist sports coaches work alongside staff in order to develop subject expertise within the school.
- All children across the school attend swimming lessons each week to push children beyond the statutory expectations.

In 2018-19 the DfE doubled the amount each school will receive for Sports Premium funding (£16000 plus £5 per pupil). This money is ring fenced and must be spent on sport and PE. The aim of this Sports Premium is to provide: CPD to deliver outstanding PE lessons; enhanced depth and range of sports being delivered in school (CPD); to raise awareness of the benefits of physical activity on the body and self-esteem. The table in this document sets out the ways in which this funding is used at our school.

Objectives	Specific Actions	Success Criteria	Timescales	Implications for school budget planning	Monitoring	Ongoing record of impact and next steps
Increase participation of children in a wider range of competitive sporting events within the area.	Take an active role in High Suffolk SSP and attend as many competitions as possible.	School enters a number of competitions in line with or greater than other local schools. Increase % of children participation in sporting competitions.	On-going	Annual subscription to High Suffolk SSP (approx £500). Travel to events. (approx £1000).	Headteacher reports of events to governors. Photograph. Silverware-if we do well!	School has previously 'punched above its weight' in competitions. School typically signs up for 16 events (top 25% of local schools) (2019). Not possible due to Covid in 20/21.
Increase participation of children in a wider range of competitive sporting events within school	Introduce inter-house sport tournaments in school including swimming gala, 6 a side football, rounders and cricket etc in addition to traditional sports day.	All children take part in competitive sport within school.	Termly tournaments	New trophies (£100).	Records of children involved in activities. Photographs. Newsletters	End of autumn term swimming gala planned. End of term house football tournament planned. Competitive sports day was very well attended. Not possible due to Covid in 20/21.
Take children beyond the basic expectations for swimming.	Additional swimming coaching to include all year groups.	Take children to lifesaver levels and increase water confidence.	On-going	Additional swimming coach to extend confident swimmers. (£2,500 a year)	Records of swimming attainment.	Many children achieve higher awards. Not possible due to Covid in 20/21.

Objectives	Specific Actions	Success Criteria	Timescales	Implications for school budget planning	Monitoring	Ongoing record of impact and next steps
Increase capacity of staff to make more effective use of outdoors.	Employ Forest School Leader.	School makes more effective use of outdoors for physical activity.	On-going	£2280 annually	Planning shows increased use of outdoors. Timetables with scheduled FS sessions. Leader/Governor observations	Forest School has been established successfully across the school. This has been particularly effective in support pupils following lockdown.
Expand range of sporting clubs on offer for children to participate in.	Introduce additional club to be led by sports coach. Bring in experts to lead sports coaching clubs.	More physical activity clubs for children	On-going	Cost of clubs included in coaching fees.	Headteacher reports of events to governors. Photographs Pupil perception	Specialist sports afternoons have taken place. Not possible due to Covid in 20/21.
Provide children with experiences of a range of outdoor and adventurous activities and sports.	Children to take part in activities such as horse riding, canoeing, sailing and archery. Subsidy of these activities to make them affordable and attractive to parents.	Children from each class take part in at least one exciting outdoor and adventurous activity annually.	Annually	£3200	Headteacher reports of events to governors. Photographs Pupil perception	Annual trip to Whitlingham Broad for watersports (2019). Not possible due to Covid in 20/21/

Objectives	Specific Actions	Success Criteria	Timescales	Implications for school budget planning	Monitoring	Ongoing record of impact and next steps
Developing skills and confidence in staff with the teaching of PE across the school.	Employ a sports coach to provide subject expertise and work <u>alongside</u> teachers and teaching assistants to model specific coaching skills.	Staff feel more skilled and confident when teaching PE	On-going	Approx £6000 per year.	Feedback from class teachers. Observations of sessions by staff and governors. Discussion with children through school council and pupil perception meetings.	Staff, pupils and parents have generally given positive feedback on their roles. Where issues have arisen, appropriate actions have been taken to ensure quality provision.
Supplement pupil experiences of gymnastics by visiting a professional centre.	All children to have opportunity to engage with large apparatus with professional coaches.	Children have experience of professional gymnastics coaching.	Annually	£500	Photograph Pupil perception	Not possible due to Covid.
Include children with SEND in sports.	Take part in special SEND competitions. Children take part in RDA riding lessons. Employ TA to assist children with SEND.	Higher participation of children with SEND in competitive sport.	Ongoing	£900 a year	Records of participation	Not possible due to Covid.

Total Planned Spend=approx. £16,980
