

Maths

EYFS will be learning:

- 3D shapes (and patterns)
- To 20 and beyond
- First, then, now

KS1 will be learning

- Multiply/ Divide
- Time
- Fractions

English

Class One have been learning through the theme of enchanted wood and 'one upon a time' stories. They will be looking at features of playscripts and how to write these (and act them out), features and different types of poems, writing letters and invitations and rewriting short stories.

The children are looking at creative writing techniques and use of suffixes.

Science

The class will be continuing with observing changes to the changing seasons and looking at woodland trees, animals and plants.

KS 1 EYFS Curriculum Newsletter - Summer Term 2023

History

This term we will be looking at the history of significant people, such as William Shakespeare. We will also be looking at how the teddy bear was created and how they have changed over time- recording this information on a timeline.

Computing

In computing this term we will be continuing to use the computers to assist with our research for our topics. We are also using purple mash, TT Rockstars, phonics play and topmarks.

Music

This term the children have been learning about rhythm through classic short stories, such as the Three Little Pigs. They have been getting used to tapping out rhythm and then use this to perform with percussion instruments.

Phonics

The children continue with their phonics phases and are using their phonic knowledge in their writing. KS1 are working on their cursive handwriting.

Art/DT

This term will involve learning about new artists, such as Kandinsky and the Pre-Raphaelites and using some of these techniques in our own artistic pursuits. We will also be cooking later in the term and when the weather improves the children will be looking at transient art/ outdoor art.

RE & PSHE

The children have been learning about Jesus and Christianity through their weekly RE lessons.

Class one have been looking at being kind and friendships.

PE

The children are continuing with weekly swimming and weekly sports lessons, led by specialists.

Other points to note:

The children have weekly forest school sessions.

The children are learning weekly spellings, weekly reading and maths sheets for homework.
