Suffolk Local SEND Reforms - Parents and Carers Survey

We are really keen to continue strengthening the voice of parents and carers in shaping our SEND Reform work, and would really value your support in helping us reach as many families as possible.

Please can we ask school leaders to share the information below with parents/carers:

The government is proposing changes to the SEND system. Nothing has changed yet - and your views matter from the very beginning.

Please complete the Suffolk Local SEND Reforms - Parents and Carers Survey and share your thoughts, views and ideas.

To find out more information about SEND reforms, please visit SEND reforms - Suffolk Local Offer (suffolklocaloffer.org.uk).

The activities above are a selection of those available through Activities Unlimited.

Activities Unlimited is part of Suffolk County Council. They give grants to activity providers around the county, to enable them to put on high quality, inclusive groups, clubs and activities for children and young people with additional needs and disabilities. They believe that children and young people with SEND should have access to the same opportunities as their peers without additional needs.

For more activities see:-

Key to support levels:
Each activity has a number to let you know the level of supervision and support available:
1: Activities for your family to enjoy together
2: Inclusive mainstream activity - group supervision only
3: For children with SEND - supervision provided but no qualified carers on-site
4: For children with SEND, qualified carers on-site (additional fees may apply)
