

What will my classroom
look like?

Our topic this term is.....
Castles

In the morning you will wait in the area outside the front door with your parents and the other children in your class. We will come and collect. You will come in through the front door and go into the classroom. We will show you where to put your bags.

This is your learning area. There are lots of toys and games to play with.

This is the other classroom where year 1 and 2 children will be working. You are allowed to play in this area too.

The Dungeon

Small world area and book corner

The Castle Kitchen

We will be using the toilet in our classroom. If you need the toilet ask an adult before going. We will ask if you need the toilet at playtimes.

We will be eating our lunch in the hall everyday.

You will be playing outside during break time and lunch time. The outside area has been fenced off with yellow and black tape. We need to stay on our side of the fence. You can say hello to the older children over the fence. We have lots of toys to play with.

At the end of the day we will sing with Mr Tumble before you collect your bags and water bottle. We will call you out when your parent arrives. You will be leaving through the front door.
