

Welcome to Class 3

September 2020

In the mornings...

- At the moment, things are a little different at school. We aren't waiting on the playground before the bell goes, we come straight into school.
- Please wait on the drift before school starts.

In the mornings...

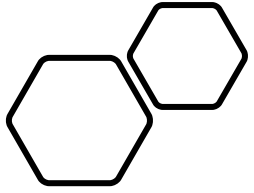

- At 8.55am we will unlock the gate and you come straight into school through this door.
- You will hang your bag on your peg (I've labelled a new one for you on the Class 3 side).
- You will then wash your hands in your allocated sink (I will tell you which one on the first day back).
- After that, it's time for the register.
- Everyday there will be a visual timetable so you can see what we're going to be doing that day.

Class 3 looks a bit different....

- I have spaced the desks out a little differently to how they were in March. Everyone will sit next to someone else in the class.
- I will also give you a pack with your own equipment in for you to use in class.

The outside area....

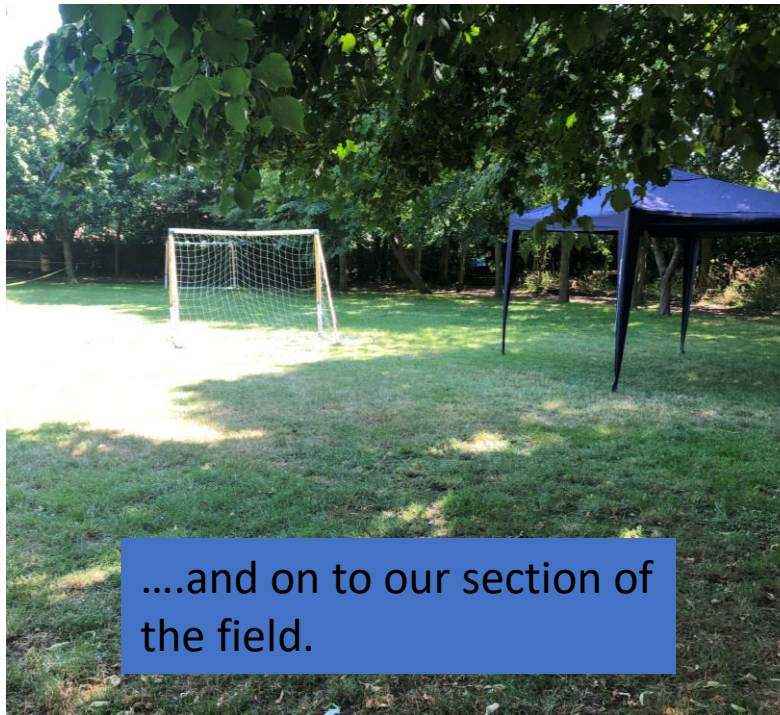

- We have sectioned the playground and field into two areas: one for Class 1 and one for Class 2 and 3.
- This means that we can have our playtimes and lunchtimes at the same time and be outside together.
- Here are some photos to show you what it looks like and where the ropes are.
- Sorry, but we can't use the adventure playground.

We walk beside the hall.....

....behind the adventure playground.....

....and on to our section of the field.

This is Class one's side of the field.

At playtimes and lunchtimes....

- Class 2 and 3 are a bubble or group. We will have our playtimes and lunchtimes together, keeping to the marked areas outside.
- We also have use of the back playground if the field is too wet.
- We also have a box of outdoor toys to share with our friends in Class 2 and 3.
- We can wave to Class 1 children across the ropes!
- Before and after playtime and lunchtime, we wash our hands.

Lunchtimes...

- In September, hopefully the weather will still be warm and dry, and we will be able to eat our lunch outside on the picnic benches.
- Cooked lunches will be served in the hall and you can bring your dinner outside to eat with your friends.
- When the weather turns colder, we will eat our lunch in our classrooms before going outside to play.

These are the ropes to separate the field. This side is for Class 2 and 3.

At the end of the school day....

- We will pack up ready to go home at 3.15pm.
- We will ask your parents to wait on the drift after school and we will call you when your parents are there to pick you up. Sorry, but you can not play on the playground after school.
- If you are staying to an after-school club then we will take you to Terri, when all the other children have been collected.
